EdiliziAcrobatica S.p.A., a company specialized in double safety rope construction works, such as maintenance and renovation of buildings and other architectural structures, listed on the AIM Italia market, organized and managed by Borsa Italiana (ticker: EDAC) announces that the Board of Directors, which met today, has resolved to convene the shareholders' meeting, in ordinary session, to resolve on the project for the admission to trading of shares representing the Company's share capital on the "Euronext Growth" market, a multilateral trading system managed by Euronext Paris S. A.

Specifically, as the Company's shares are already traded on AIM Italia - a market which, according to the Euronext Growth Markets Rule Book, the regulation applicable to the Euronext Growth market (the "Euronext Regulation"), falls within the so-called "Eligible Markets" - the Company may avail itself of the direct admission procedure provided for in Chapter 3.1.1 (iii) of the Euronext Regulation. The direct admission procedure does not require the execution of a public offer or the collection of orders from third party investors.

In the context of the Dual Listing Transaction, the Company will be assisted not only by its advisor Emintad Italia S.r.l., but also by the French company Invest Corporate Finance, which will act as Listing Agent (that is the coordinator of the transaction) and sponsor (i.e. the person who supervises compliance with the regulations).

Riccardo Iovino, Chief Executive Officer of EdiliziAcrobatica, commented: "We have decided to undertake the listing process on the Euronext Growth market and thus follow up the company's growth strategies with a view to expansion towards European countries as well. For us, France represents an interesting market and with this operation we are starting to approach it in a decisive manner".
