

EdiliziAcrobatica S.p.A. approves the half-yearly report with all the indicators in strong growth

Genoa, 28 September 2018

EdiliziAcrobatica S.p.A., a company operating in the double safety rope construction sector, announces that the Board of Directors, which met today, has approved the consolidated half-yearly report as of June 30, 2018, which confirms its strong growth trend.

These are the main indicators of the growth of EdiliziAcrobatica S.p.A.:

- **Sales** - 11.1 million euros, up 45.6% compared to the figure for the first half of 2017 (7.6 million euros)
- **Adjusted EBITDA** - 2.1 million euros, up 111.4% on the figure for the first half of 2017 (1 million euros)
- **Adjusted operating profit** - €1.9 million, up 205.5% on the figure for the first half of 2017 (€0.6 million)
- **Net profit** - 1.2 million euros, up 410.4% compared with the first half of 2017 (0.2 million euros).

"The results achieved by EdiliziAcrobatica in the first half of 2018 - commented Riccardo Iovino CEO, founder and CEO of EdiliziAcrobatica S.p.A. - confirm the value of the growth strategies implemented to date. The innovativeness of the EdiliziAcrobatica project, which once again confirms itself as the first Italian company in its sector, together with the constant commitment of our human resources, from the rope operator to the manager, are the foundations of this successful case history that is preparing to face a new important challenge with serenity and determination".
