
PRESS RELEASE

EDILIZIACROBATICA S.P.A.: VINCENZO POLIMENI IS THE NEW COUNTRY MANAGER FOR FRANCE. THE PRESENTATION TOOK PLACE DURING INAUGURATION OF THE MONTE CARLO POINT

Genoa - Monte Carlo, 4 October 2023: EdiliziAcrobatica S.p.A. (“Company” or “EDAC”), the company that heads the group of the same name, specialised in double safety rope construction work, such as maintenance and renovation of buildings and other architectural structures, listed on the Euronext Growth Milan (ticker EDAC) and Euronext Growth Paris (ticker ALEAC) stock markets, has announced that Vincenzo Polimeni is, from today, the new Country Manager for France and for the Principality of Monaco. The official presentation of Mr. Polimeni, who is returning to Acrobatica, took place today in Monte Carlo, during inauguration of the Monte Carlo Point and in the presence of Alberto Ravizza, general manager of EdiliziAcrobatica, and Riccardo Banfo, the Group CFO.

This appointment was strongly desired by Riccardo Iovino, who actually signed the contract just a few days before he passed away, and by Anna Marras, the new CEO of EdiliziAcrobatica, due to the managerial skills of Mr. Polimeni, who is returning to the company after a short break, in order to pursue the expansion and growth objectives set by Mr. Iovino himself.

“For me - said Vincenzo Polimeni - returning to Acrobatica is like returning home to my family and it is happening at a time when the entire group, from the executive management to the rope operators, is working to carry forward and complete Riccardo's projects. I am certain that the EdiliziAcrobatica business model, which is based on care and professional training and the ethics of human resources and has proved to be perfectly repeatable and scalable anywhere in Italy and in the countries where we operate, will also be what makes the difference in Monaco and throughout France, where we have various points and operating areas and where we plan to strengthen our presence and continue along the route started by our founder”.

“The return of Vincenzo Polimeni to EdiliziAcrobatica - said Anna Marras, CEO of the company - is a source of huge satisfaction for me. His skills and his profound knowledge of the group and our know-how make him the ideal person to carry out the projects and achieve the objectives set for France, shared by me and by Riccardo Iovino”.

EdiliziAcrobatica S.p.A. is the industry leader in renovation of exteriors. Founded in Genoa in 1994 by Riccardo Iovino, the company now has around 2,300 collaborators and over 130 operating areas in Italy, France, Spain, the Principality of Monaco and the United Arab Emirates. The double safety rope technique allows operators to work without the need for scaffolding or

aerial platforms, thus offering the final customer quality services that are performed rapidly and using a sustainable and **non-invasive method**. ACROBATICA, which has been listed on the Euronext Growth Milan stock market since November 2018 and on the Euronext Growth Paris stock market since February 2019, has integrated the principles of sustainability into its Business Model, guaranteeing a naturally sustainable service and a responsible approach that focuses on the well-being and satisfaction of both its internal and external stakeholders. In 2022, it obtained an ESG Rating that placed it among the lowest-risk companies in its reference cluster.
