**ACROBATICA GROUP: +92% NUMBER OF CUSTOMERS, +48.3% CONTRACTS SIGNED IN Q1 2024**

**Genoa, 11 April 2024** - EdiliziAcrobatica S.p.A. (the Company or ACROBATICA) - a company specialising in double safety rope construction work, listed on Euronext Growth Milan (ticker EDAC) and Euronext Growth Paris (ticker ALEAC), which from 2024 will be positioned worldwide under the single brand ACROBATICA, announces the number of contracts signed in the first quarter of 2024, an increase of **48,3%** from 4,884 contracts in 2023 to 7,241. This result reflects the strong growth in the number of customers, with a year-on-year increase of **92%**.

**Anna Marras, CEO of Acrobatica Group:** *"A 48% growth in the number of contracts signed is proof of how the people who work in Acrobatics, in every role, have perfectly understood their mission, which is to make the homes and monuments of our country and every country in which we operate more beautiful and welcoming. This is what allows the Group to grow steadily, even when state incentives come to an end, and this is possible not only thanks to our sustainable and micro-invasive double safety rope technique, but also and above all thanks to the continuous training and constant attention we pay to our human resources"*.

**Domenico Caputo, Group Sales Director:** *"It is with great satisfaction that today, at a time that is certainly not easy for the construction sector, we confirm, data in hand, that Acrobatica has continued to grow, increasing both the number of customers and the number of contracts signed in the first quarter of 2024. Growth cannot be attributed to anything other than our strategy and our business model which rewards people's results by stimulating them to grow and achieve increasingly challenging objectives which, despite this, are promptly exceeded"*.
